Customer Story

Curbio provides a simple, streamlined home improvement solution that eliminates the stress of getting homes market-ready. They provide a better way to complete pre-listing updates and have proven it!

Curbio encountered significant obstacles in its mission to revolutionize home renovations.

The client elected Exotto as an extraction partner and assigned us to extract data from 10,000 prospects, specifically in the Real Estate industry, particularly from the United States.

In one month, EXOTTO helped Curbio to create a pipeline of continuous, compelling prospects.

The Challenge

- ✓ Extraction of data of 10000 prospects in Real Estate from the United States.

The Solution

- Extracted the data with the help of LinkedIn Sales Navigator as per the client's niche and requirements.
- Carried out extraction procedure following international quality standards.

The Results

- 10000+ Leads Data in one week less than the anticipated time.
